Conservation District representative Korie Blyveis stated that the Spotted Lantern Fly was sighted in northern Indiana. Ms. Blyveis then informed board members of the Conservation District Annual Meeting set for November 28, 2023.

Road Commission Managing Director Bob Thompson informed commissioners that the Road Commission recently experienced a ransomware attack. Because the County I.T. Department put protective measures in place, no data was lost. The County I.T. Team worked around the clock from just after the attack on a Friday until 4:30 a.m. the following Monday to restore all data. Mr. Thompson informed the board what a superb I.T. Department the county had.

Gerry Bundle, County Transportation Authority Director, provided an update on cost-saving measures the authority had implemented and asked that the board consider their request for funding.

Commissioners agreed to place Item D. on the next regular board meeting agenda.

E. FOC Program Services Coordinator

The courts requested to replace the FOC Bench Warrant Officer with an FOC Program Services Coordinator. The coordinator would carry out the enforcement duties previously handled by the Bench Warrant Officer along with added duties of attempting to decrease incarceration and bench warrants to save the county money.

The position would be a new CCIEA paygrade 7 with an approximate annual cost for wages and fringes of \$70,000 (FOC receives 66% reimbursement through the FOC IV-D Grant).

Commissioners agreed to move Item E. to the next regular board meeting.

F. Child Support Secretary/Criminal Secretary

Prosecutor Fitz requested the board return the Child Support/Criminal Secretary to a full-time position. The position would be funded by a DHHS Contract as well as CCDET funds; therefore, there would be no impact to the county general fund.

Commissioners agreed to move Item F to the next regular board meeting agenda.

G. Step-Level Retention Increase

Administrator Newton asked the board to renew the Resolution Authorizing Step Level Retention Increases. The resolution would allow the County Administrator to make full use of the compensation schedule when a Department Head or Elected Official determined it was necessary to attract or maintain an acceptable level of talent.

Judge Bealor spoke in support of the resolution.

Commissioners agreed to move Item G to the next regular board meeting for approval.

H. Jail System Upgrades

Overall costs for all three projects will be approximately \$500,000 after grant funds were applied. The CCDET Fund was discussed for use to complete the project. Final cost figures would be provided at the next regular board meeting.

Board members agreed to move Item H. to the next regular board meeting.

I. Organizational Meeting

Approve January 4, 2024, at 5:00 p.m. as the date/time of the 2024 Board of Commissioners Organizational Meeting.

Board members agreed to move Item I. to the next regular board meeting agenda.

J. Discussion – Committee of the Whole Process/Function

Commissioner Marchetti opened discussion on streamlining the Committee of the Whole after several lengthy meetings. After discussion, the board decided that the Chair would direct which meeting on which to place presentations after receiving a synopsis of what the presentation would include.

Clerk/Register Monica McMichael shared agendas from past Committee of the Whole Meetings. The agendas included discussions items only, no reports. Discussion followed.

Commissioners agreed to remove the following items from the Committee of the Whole Agenda:

9. Presentations
10. Committee Reports
11. District Reports
12. Administrator's Report

13. Finance Report
14. County Partners
15. Elected Officials

The Finance Report would be included in the packet.

Item J. would move to the next regular board meeting agenda.

K. CCCD – SESC Funding Request

The Cass County Conservation District requested \$76,000 in funding after the county allocated \$10,000 in the FY 24 Budget.

Vice-Chair Laylin stated he wished for the Soil Erosion Program to return to the county. Drain Commissioner Jeff VanBelle spoke regarding the Soil Erosion Program. He thought the county did not contribute enough money to the program. He did caution the board, however, that the program would most likely not generate revenue or break even. Financially. He added his thoughts on the State EGLE Department and that they were pushing beyond what the law required.

Vice-Chair Laylin asked the Administrator's Office to research the dollar amount necessary for the program. The item would move to the next board meeting agenda.

L. Elected Official Salary

The Salary Committee recommended a 3% wage increase for Elected Officials in 2024. If approved, the raise would increase the overall budget by \$13,713.80.

Item L. would move to the next regular board meeting agenda.

M. Discussion – Road Deputies & Detectives Compensation

Administrator Newton opened a discussion on wage increases for road deputies and detectives.

Chair Jones shared the Salary Committee's recommendation of a 10% salary increase and to leave the MERS DC trigger in place. He did state that he had concerns about increasing the budget, though, and was interested in using CCDET funds to incur the increased costs. The Chair stated that he was pro law enforcement; however, he was concerned over the effect on other unions.

Commissioner Barrera stated that Sheriff Behnke approached the salary committee with a problem. The problem was that road patrol was leaving CCSO for other employment that offered better pay and benefits. He stated that commissioners should trust the elected officials.

Administrator Newton discussed opening negotiations with the unions as opposed to only offering salary increases. It would allow Administration to hear what the officers actually wanted.

Sheriff Behnke informed board members that CCSO currently had 24 Road Patrol Officers versus 41 in 2003. He cautioned the board that in 1991 Road Patrol was reduced to eight Road Patrol Officers. The reduction of road patrol led to the elimination of 24-hour public safety coverage in the county.

Since the MERS DC trigger was implemented, eleven CCSO Road Patrol Deputies had left the department to work at other agencies. Sheriff Behnke informed commissioners there were currently two additional officers interviewing at neighboring departments.

Sheriff Behnke went on to explain that the lack of law enforcement was a nationwide issue. Some departments were sending candidates to police academies; however, that process required 7-10 months. Many departments were retaining officers and attracting new officers by increasing salaries and benefits. For instance:

- City of Dowagiac – 13% salary increase
- Ontwa Township/Village of Edwardsburg – 10% salary increase
- City of Niles – initial 6 or 7% salary increase, then 5% increase each year for three years

Sheriff Behnke urged board members to remove the MERS DC trigger as Road Patrol Deputies informed him that it was a major reason for their leaving CCSO.

Vice-Chair Laylin proposed a 5% salary increase with the removal of the MERS trigger. He asked County Administration to obtain clarity on removing the MERS trigger. He went on to specify that all new hires would receive the MERS Defined Contribution Retirement Plan.

Commissioner Marchetti voiced her concern with the offer as there were other county employees, including the non-union employees, who wanted to keep their MERS Defined Benefit Retirement Plan.

Commissioner Barrera suggested the board approve the request as specified by Sheriff Behnke with a 6% salary increase and the removal of the MERS DC trigger. MERS stipulations for new hires were not discussed or agreed upon. Vice-Chair Laylin removed his suggestion of 5% with the removal of the trigger. The item would move to the next regular board meeting agenda.

Commissioner Lee reminded board members to keep in mind the future financial security of the county. He agreed with offering the MERS Defined Benefit to current CCSO Road Deputies; however, he wished to place all new hires in the Defined Contribution MERS Plan.

Miscellaneous

As a member, Commissioner Howie asked Bernie Williamson to speak on behalf of the Historical Commission. The county has had a lease with Cassopolis Public Schools for the Red Brick one-room schoolhouse for the last 20 years. Unfortunately, the potential of the one-room schoolhouse had not been realized due to funding constraints. Currently, groups were working on an agreement where the school district would transfer ownership to the Historical Society in order to take advantage of the Historical Society's 501(c)(3) tax exempt status. They would keep the board apprised of the project.

BOARD MEMBER COMMENTS/ANNOUNCEMENTS

RE: FOPLC – LOU Seniority (Special Circumstance)

REQUEST:

Approve for the LOU to be added to the Consent Agenda of the January 4th Regular Meeting.

BACKGROUND:

There is a Road Patrol employee that resigned in September to attend to family-related matters. He was not intending to return to service originally, so he chose to resign rather than utilize FMLA. He has since resolved the matter and would like to return to staff. He inquired about the prospect of retaining seniority from his prior time. The FOPLC reviewed the matter and submitted the attached LOU for consideration that would permit the retention of previously earned seniority from January 2023 to September 2023.

RE: Cass County Land Bank Authority Part-Time Position

REQUEST:

Approve the CCLBA Temporary, Part-Time Position to be added to the January 4th Regular Meeting.

BACKGROUND:

On November 9, 2023, the CCLBA approved the hiring of a temporary, part-time employee to help with Land Bank Projects. This employee will be supervised by CCLBA Board Chairman, Hope Anderson. We are seeking the support of the Cass County Board of Commissioners.

In response to the critical need for housing upgrades and blight elimination within the county, the Cass County Land Bank Authority (CCLBA) has taken significant strides by successfully securing funding through two prominent initiatives: the State Land Bank Blight Elimination Program (BEP) Rounds 1 & 2 and the Michigan Housing Opportunities Promoting Energy Efficiency Program (MI-HOPE). These initiatives collectively awarded the CCLBA an impressive sum of \$690,261.15 for the SLBEP and \$750,000 for MI-HOPE.

The combined impact of these two programs is poised to bring about substantial positive change in the county, resulting in upgraded housing infrastructure and the elimination of blighted properties that have long been a concern for the community. In addition to the direct benefits to residents and neighborhoods, the implementation of these programs is anticipated to create a more vibrant and attractive living environment, fostering community development.

To facilitate the successful execution of these initiatives and ensure compliance with stringent State and Federal grant guidelines, the CCLBA recognizes the need for temporary administrative support. Admin Revenues for these awards are estimated to exceed \$125,000, and considering the complexity of managing such large-scale programs, there is a crucial need for enhanced clerical support.

In summary, the CCLBA's successful acquisition of funding through the State Land Bank Blight Elimination Program and the Michigan Housing Opportunities Promoting Energy Efficiency Program marks a significant milestone in the county's commitment to revitalizing communities. The infusion of administrative support is a proactive step to guarantee the efficient implementation of these programs, ultimately fostering a brighter and more prosperous future for the residents of Cass County.

CASS COUNTY BOARD OF COMMISSIONERS

TO: Board of Commissioners

FROM: Matthew Newton, County Administrator

RE: ROBIN Grant - Matching Contribution

REQUEST:

Discuss Agreement for Provision of Broadband Service with MEC.

BACKGROUND:

In March, the Board of Commissioners adopted R-44-23 expressing support for MEC to apply for the ROBIN Grant as well as adopting M-45-23 a Memorandum of Agreement for Matching Funds Commitment to MEC towards the ROBIN Grant of \$250,000.00. M-45-23 was contingent upon MEC successfully applying and receiving the ROBIN Grant through the State of Michigan.

In the intervening months since the application, MEC was subsequently awarded the ROBIN Grant and began planning efforts on construction. To support that, MEC is working with the organizations from both Cass and Van Buren that had pledged matching funds for the project on agreements to finalize the cost sharing as construction planning gets underway. As you can see in the attached Construction Schedule, MEC plans for construction to begin in Q3 of 2024 and for construction of all new lines to be completed by Q2 2025.

The Agreement for Provision of Broadband Service, as proposed, would request that the County contributed 50% of the agreed upon Matching Funds in June 2024 and the remaining 50% in June 2025.

REVIEWS:

Prior to submitting this request, this agenda item was reviewed by all impacted departments noted below: (Ex: Administration, Maintenance, HR, and IT)

Administration

FINANCIAL ANALYSIS:

As originally agreed, when the ROBIN Grant Application was submitted by MEC, the County agreed to provide a Matching Funds Contribution of \$250,000.00. This contribution, as proposed in the Agreement, would be split 50% across Fiscal Years with \$125,000.00 due each year.

RECOMMENDATION:

Discuss the proposed Agreement for Provision of Broadband Services between MEC and the County and determine if any additional changes may be requested. If there are no changes, the item can be moved forward to January 4th Regular Meeting. If changes are requested, Administrator Newton shall take proposed changes to MEC and bring back a revised Agreement for consideration.
